

Weather Around the corner and Scenario Based training Workshop, Part 2

It was a beautiful day for flying. Turbulence was nonexistent, the sky crystal blue in color, and then suddenly...Professional flight crews train every month to beat the odds when it comes to emergencies and abnormal flight events and procedures. Practice does make perfect, or at least it prepares you for managing the unexpected.

Directions: From I 29, Take Exit 69 thence east on 40th Ave. N. towards the North end of the Fargo Hector Airport. Enter the General Aviation area at Fargo jet Center and turn right. The meeting will be held in the blue Building on the west end. Building #2 upstairs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
